

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Construction Activities Update

May 13 – May 24, 2024

**PLEASE BE ALERT! Traffic control is in place for your safety!
The enforceable speed limit through the construction zone is 25 MPH.
Preston Drive will be closed at Imjin Parkway until August of 2024.**

What's Happening in the Next 2 Weeks (May 13 – May 24)?

Day Shift

- Finish installing the last few locations of the silt fencing at the project limits.
- Removal of trees and brush that were previously excluded due to bird nesting activity.
- Continued demolition of the existing roadway section and grading on westbound Imjin Parkway lanes (behind the concrete barrier).
- Continue grading/earthwork activity and installation of the soundwall and retaining wall in the Preston Park area.
- Continue installation of underground utilities for fiber and street lighting, between Reservation Road and Abrams Drive.
- Finish installation of permanent fencing for the habitat mitigation sites.
- Begin installation of underground utilities for storm drains, sewer, street lighting, and fiber conduits between Abrams Drive and Imjin Road.
- Earthwork operations to move dirt from the south side of Imjin Parkway to the north side.
 - **Marina Heights Drive will be closed 9:00AM to 3:30PM Monday thru Friday beginning 5/13/2024 through 5/24/2024. The roadway will be re-opened at the end of daily work shifts. Emergency vehicles will have access at all times.**
 - Marina Heights Drive will be open at all times on weekends.
 - Flaggers will be stopping traffic intermittently at Imjin Parkway/Marina Heights Drive to allow equipment hauling dirt to safely cross Imjin Parkway.

Future Construction Activity and Information: What's Planned in the Future?

- Construction of retaining walls and sound walls at Preston Drive and Abrams Drive.
- Continued work removing the existing roadway on the westbound side (behind the concrete barrier).
- Continued earthwork and grading for the new widened roadway between Reservation Road and Imjin Road.
- Continued installation of underground utilities for sanitary sewer, storm drains and street lighting conduits.

NOTE: Night work for a sanitary sewer tie-in will be scheduled for later this month (potentially 5/29/2024). Expect increased truck traffic transporting equipment for construction activities. More details will be provided closer to the known start date. Please keep checking the website for information.

IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

Activities That Took Place During the Week of May 6 - 10

- Continued installation of the perimeter silt fence at the project construction limits on the westbound side of Imjin Parkway.
- Continued installation of the permanent fencing and gates required to limit access and protect habitat areas in the mitigation site.
- Continued demolition of the existing roadway pavement section on westbound Imjin Parkway lanes (behind the concrete barrier) between Abrams Drive and Imjin Road.
- Continued earthwork/grading operations from Reservation Road up to Abrams Drive.
- Continued removal of abandoned utilities within the projects grading work.
- Began construction of concrete block section of soundwall just west of Preston Drive.

- Continued installation of underground storm drains and structures just west of Reservation Rd.
