

# IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

---

## Construction Activities Update March 3 - 14, 2025

### PLEASE BE ALERT!

#### Traffic control is in place for your safety!

The enforceable speed limit through the construction zone is 25 MPH.

**Recommended speed through roundabouts (during construction) is 15 MPH.**

❖ **Marina Heights Drive and Imjin Road** are closed at Imjin Parkway

---

### What's Happening in the Next 2 Weeks (March 3 - 14)

#### Day Shift – BEGIN WORK ON PHASE 2 CONSTRUCTION!!!

- Continue placement of sidewalks along Imjin Road.
- Complete trenching and installation of electrical service conduit for streetlight and irrigation controller service at Marina Heights Drive.
- Grind out existing roadway from western job limit to east of Marina Heights Drive.
- Begin earthwork/grading of roadway section between western job limits to east of Marina Heights Drive.
- Complete sanitary sewer force main (SSFM) relocation with tie-in to existing line (across from Preston Drive) and demolish old line.
- Resume grading operations to restore slope and begin roadway section where SSFM line was relocated (across from Preston Drive).
- Continue environmental monitoring of contractor activities job wide.

Night Shift – No scheduled night work

### Activities That Took Place Last Week (February 24 - 28)

- Installed landscape boulders at Preston Drive, Marina Heights Drive, and Imjin Road.
- Installed orange protective fencing along Imjin Parkway Phase 1 roadway.
- Switched traffic to Phase 2 configuration.
- Hydroseeded slopes along Imjin Parkway between Abrams Drive and western job limit.
- Placed concrete for sidewalks and ramps along Imjin Road.
- Placed concrete for curb and gutter along Imjin Parkway east of Imjin Road.
- Continued installing irrigation service lines along Imjin Parkway between Marina Heights Drive and western job limit.
- Tied in temporary drainage pipe and repaired silt fencing across from Imjin Road.
- Continued trenching/installation of 3" electrical conduit along Marina Heights Drive for streetlight and irrigation controller services.
- Continued placing concrete for streetlight foundations at Marina Heights Drive.
- Placed concrete for sidewalk ramps, medians, and crossings at Marina Heights Drive.
- Completed SSFM pipeline installation and pressure test; line is ready for tie-in scheduled next week.
