

## **IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT**

---

**Construction Activities Update: June 16 – June 27, 2025**

**PLEASE BE ALERT!**

**Traffic control is in place for your safety!**

**Recommended speed through roundabouts (during construction) is 15 MPH**

**The enforceable speed limit through the construction zone is 25 MPH**

- **Abrams Drive (south) is closed at Imjin Parkway until early August.**
- **Imjin Pkwy to Reservation Road – one right turn lane is closed.**
- **Access to Christina Williams Memorial is by escort only (info included at end of update and on the project website)**

---

### **What's Happening in the Next 2 Weeks (June 16 – June 27)**

#### **Day Shift**

- Continue earthwork/grading and base rock for south side Imjin Parkway roadway section from the Shell Station driveway to Preston Drive (including Abrams Drive (south)).
- Grind and remove temporary paving on north roadway section between Retaining Wall 1 and Imjin Road.
- Complete roadway grading and base rock for north roadway section (near Retaining Wall 1) where temporary paving will be removed.
- Continue installation of underground facilities (e.g. storm drain, streetlight electrical conduit, fiber optic conduit, and irrigation piping) at Abrams Drive (south).
- Grade, form, and place concrete for roundabout curbs and truck apron for Abrams Drive (south) roundabout.
- Install foundations for future artwork for Abrams Drive roundabout.
- Grade, form, and place concrete for sidewalks and driveways between Abrams Drive (south) and Chapin driveway.
- Close Abrams Drive (south) driveway access to Shell station on 6/23. Grind out remaining existing pavement, complete grading, construct new driveway, and re-open access on July 7.
- Continue environmental monitoring of contractor activities job wide.

**Night Shift** – no night work scheduled.

### **Activities That Took Place Last Week (June 9 – June 13)**

- Continued earthwork/grading for south roadway section between Shell station driveway and Chapin driveway.
- Began installing base rock for south roadway section between Abrams Drive (south) and Chapin driveway.
- Continued installing electrical conduits between Reservation Road and Preston Drive.
- Continued installation of bioswales between Marina Heights Drive and Abrams Drive.
- PG&E energized the meter panel at Imjin Road. Streetlights at the roundabout area are now active.
- Completed wiring and grouting base plates on median streetlights between Imjin Road and Marina Heights Drive.

# IMJIN PARKWAY WIDENING & ROUNDABOUT PROJECT

## Future Construction Activity and Information: What's Planned in the Future?

- Complete embankments and rough grading for roadways by end of June.
- Coordinate PG&E work at Abrams Drive.
- Re-open Abrams Drive (south) in August.
